MEMORANDUM FOR: Executive Assistant to the Director
FROM : John F. Blake
Deputy Director for Administration

Jennifer:

1. I vote yes. Believe it important at this stage that Mr. Bush have eyeball contact with groups of employees. Those in Mid-Career Course, about 35 in number, come from all Directorates, are GS-12's to GS-14's and, on balance, exercise influence with their peers.

2. Short and informal speech is the name of the game. Highly recommend he give same message he gave in Auditorium to "CIA Today and Tomorrow" about 10 days ago. The feedback was excellent.

3. Re timing -- suggest it be 2:45 p.m., so that he has 45 minutes with [REDACTED] who I believe is scheduled at 2:00 p.m. same date. Suggest he keep remarks to half the scheduled time and allow the rest for questions. It will give him an insight into what is on employees' minds.

Mr. Blake --

Mr. Bush would like your advice on this one --
he is inclined to say "yes" -- short and informal
speech.
